

EPC ESD #1 Inspection Request

Requests for building & fire system finals / inspections / partials shall be submitted to our office no later than **10am** via e-mail to: inspectionrequest@epcesd1.com when requesting inspections. If submitted after 10a.m.; the inspection will be scheduled within two days (**Example: Request received Friday after 10 a.m.; will be scheduled for Wednesday**). The day that our office receives the request, the contractor will be contacted (via e-mail) and given a date & estimated time for inspection. When received properly, we will make every effort to conduct building finals & fire protection system finals / inspections / partials within a timely manner but may be delayed depending on our workload. Any & all fees associated with the project shall be paid prior to our arrival. Incomplete forms with missing information will not be processed until all required information is obtained. As a general reminder, plans & permit(s) shall be at the job site.
