## \*\* Pyrotechnic Special Effects Including Fireworks and Fire Performers:

- Application must be accompanied by the following:
  - A description of the display or show, including a list of the type and number of pyrotechnic effects.
  - A plot plan of the display area showing the location of discharge; fall-out zone; & the audience area
- All vehicles transporting pyrotechnics must comply with 49 CFR Chapter 1(F).
- Additional permits from Federal, State, or other authorities may be required.
- The Fire Marshal or Designee may require a demonstration of any pyrotechnic, firework, or fire performance prior to final approval.

1. Complete application in its entirety.
2. Attach a legible site plan of your stand or display. The review process will take approximately 2 to 3 days to complete, and then you may pick up your permit and begin the inspection process.
3. A copy of your Texas State License to operate a stand or to perform a display shall be attached to your application.
4. Stocking of the building or stand shall not begin until the building / stand inspection is completed. Preliminary inspection shall be requested by applicant.
5. For firework stands, see House Bill #03907F for fee schedule.
6. A lease agreement where vending or posting shall be provided to avoid illegal occupancy/placement.

Please submit your completed Inspection Request form via e-mail to: [inspectionrequests@epcesd1.com](mailto:inspectionrequests@epcesd1.com) when ready for our inspection of your stand (pre-stocking) or display. Please attach the payment confirmation number to your request and the Fire Marshal's Office will reply and coordinate a date & time for inspection.
