NOTICE:

Separate permits are required for Building, Electrical; Plumbing; HVAC (Heating, Ventilation & Air Conditioning); and any Fire Protection. This permit becomes null and void, if work or construction authorized is not commenced and inspections called for and obtained within six (6) months at any time after work is commenced.

AFFIDAVIT:

I hereby certify that I have read and examined this application know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of a Federal, State or Local Law regulating construction or the performance of construction. I also hereby certify that the information on the site plans is true and correct and that all known easements have been properly illustrated.

By my signature, I have verified that all required information is submitted with the building permit application and is true and correct to the best of my knowledge.
