Fireworks public display permits must be obtained from the State Board of Insurance through the State Fire Marshal. A public firework display permit is not renewable and is valid for only one public firework display to be held during the hours and on the date or alternate date, if provided, stated on the permit. Public Displays: An adult individual or firm, partnership, corporation, or association planning to make a public fireworks display shall submit, under rules adopted by the board, a written application to the State Fire Marshal for a license or permit. It is the duty of the designated local Fire Marshal (FM) or designee, to make a site inspection to determine whether a proposed fireworks display is in a location that may be hazardous to property or dangerous to any person. The Fire Marshal or designee may, in the exercise of reasonable discretion, approve or disapprove the display site, and/or may impose reasonable conditions on the display.

Please submit your completed Inspection Request form via e-mail to: inspectionrequest@epcesd1.com when ready for our inspection of your display site. Please attach the payment confirmation number to your request and the Fire Marshal's Office will reply and coordinate a date & time for inspection.
